ABOUT GRADY

Grady Maguire is a singer-songwriter out of Gilmer, Texas, whose country music doesn’t dress up or apologize — gritty, honest, and rooted in the people and places he knows. He’s taken his songs to stages across Texas, Oklahoma and Arizona, building a following the old-fashioned way: one show at a time, one song at a time. “East Texas Pine” is the second of three originals cut live at Rosewood Studios and rolling out through early 2027.
